

# ARROWS TO HELPING

*Helping children at risk become children of promise*

## **AWARENESS**

leads to Empathy in a caring adult

## **EMPATHY**

strengthens the ability and desire to Understand

## **UNDERSTANDING**

a child's silent, desperate reality motivates an adult to take Action

## **ACTION**

provides direct help or advocates for Support via programs / services

## **SUPPORT**

breaks barriers so a child can feel safe and become open to Hope

## **HOPE**

comes when the fear and pain diminish and Healing becomes possible

## **HEALING**

softens daily fears and makes positive experiences and Resilience possible

## **RESILIENCE**

brings the strength and elasticity to bounce back from adversity as a child of Promise

## **PROMISE**

lives a life of hope with emotional and spiritual health.
